SwissDays

SANTA CLARA SWISS DAYS 2023:

**BUY YOUR COW NOW
AT TOWN HALL!**

Santa Clara Swiss Days will be held September 21-23. You can find event information on the Swiss Days link on the city website at www.sccity.org. Merchandise and Food Vendor Applications and 5K Run/Walk applications are available and open on the website. Register for the 5K on the RunnerCard link. Parade and Swiss Miss/Mister applications will be open soon on the website. Sponsor information is posted on the Swiss Days link as well; if you are interested in being a Swiss Days Sponsor, please contact the city at 673-6712 X 201. We have a variety of sponsorship opportunities available that would be of value in promoting your business, including options giving exposure to your business for the entire month of September, as well as the weekend of Swiss Days. Swiss Days cows are also available now for purchase at the Town Hall office. Get your cow early to paint and decorate—the cows can be placed on Santa Clara Drive during the entire month of September. We are looking forward to another great Swiss Days event and hope you will save the dates and join us for this special annual celebration where history and family fun come together!

JUNE CLEAN UP DUMPSTERS:

We will be available June 2-3 for quarterly residential clean up; there will be 3 dumpsters at Little League Parking Lot and one at the Town Hall west side parking lot. Please do not leave trash on the ground before the dumpsters arrive or after they are full or have been removed. If you have large items that need disposed of like furniture and appliances, please call Republic Services to schedule a special bulky item pickup; their # is 628-2821. Please remember the dumpsters are not for disposal of hazardous waste materials, chemicals, pesticides, paint, batteries, tires, or construction site waste. For more information regarding hazardous waste materials please call 674-7623. Yellow recycle binnies are available at the Gubler Park to help with disposal of recyclables. Also, the St. George Reuse Center, located at 575 E. Brigham Rd, accepts removed vegetation for mulching; their phone is 435-627-4028.

FIREWORKS

FIREWORKS SAFETY FOR JULY HOLIDAYS:

For many of us the use of fireworks is a tradition. Although fireworks are beautiful, fun, and exciting to set off, we urge you to do so with caution and care, especially around children.

Utah changed its firework laws (HB38) in 2018. Under the new law, fireworks are only allowed to be set off from July 2-5 and from July 22-25. Fireworks may be discharged between the hours of 11am–11pm on the days leading up to and following the holidays and till midnight on July 4 and 24. Cities and land managing agencies can also restrict areas where fireworks can be set off and restrict their use. Please watch for and abide by any special fireworks restrictions that may be put in place due to dry, dangerous conditions. Fireworks are prohibited within 250 feet of the following areas: dry washes & drainages, river & stream corridors, hillsides, plateaus, & mesa tops, undeveloped open space, or natural terrain. Check for a Fireworks Restriction Zone Map on the city website: www.sccity.org under Fire Dept information.

FIREWORKS SAFETY TIPS:

- Use only fireworks purchased in the **State of Utah** from licensed dealers or retailers.
- Use fireworks only with responsible, adult supervision at all times.
- Never allow young children to handle fireworks
- Light the fireworks in an open area & on a non-combustible surface, such as a driveway or paved area.
- If windy conditions exist, do not light fireworks.
- Keep a bucket of water available.
- Soak fireworks thoroughly in a bucket of water, or douse them with a hose prior to disposal
- Handle used & “dud” fireworks with a shovel. Do not try to relight.
- Keep clear while lighting fireworks, do not lean over them at any time.
- Keep pets indoors while setting off fireworks

Keep your Independence Day & Pioneer Day holidays fun and safe this summer!

H.E.A.T. PROGRAM:

Accepts applications to assist eligible households in need of help paying their home heating bills. This federally funded program is administered by the State of Utah. Payment amounts are based on income, energy use, and at-risk groups in the household. Residents who wish to apply for assistance call 435-652-9643 to schedule an appointment.

H.E.A.T. office location: 1664 S Dixie Dr. Unit L-104 St. Geo. UT 84770, in Dixie Commons.

BLUE STAKES OF UTAH:

Please call Blue Stakes at least 48 hours before you begin any major digging project. This will allow time for all utility companies to be notified to come locate and mark the utility lines on your property before digging begins. Be safe, call Blue Stakes first at 1-800-662-4111.

Public Works Notice

City of Santa Clara

We are pleased to present you with this year's Annual Drinking Water Quality Report. This report is designed to inform you about the quality of water and services Santa Clara delivers to you every day. The report provides details about the source and quality of the drinking water delivered to your community. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water sources.

It is our pleasure to report that our drinking water meets federal and state requirements. If you have any questions about this report or concerning your water utility, please contact Jamie Mills at 435-656-4690 Ext. 213. Santa Clara City routinely monitors constituents in our drinking water in accordance with the Federal and Utah State laws. Printed copies of this report are available at the front desk at City Hall, located at 2603 Santa Clara Drive, Santa Clara, UT 84765. A digital version is also available on the City website: www.sccity.org.

“ADOPT A WATERWAY” PROGRAM

The City of Saint George has created and requested assistance in a program called “Southern Utah Adopt A Waterway”. The program is targeting our local water ways with combined effort including citizens, volunteer groups and municipalities. The goal is to enhance our local river system by smaller organized/sponsored clean-up efforts. It is very similar to the State’s “Adopt a Highway” Program.

Santa Clara City has joined the above program to enhance and beautify the Santa Clara River/Tuacahn Wash areas within our city limits. We are actively looking for volunteer groups to adopt a section of river within our City.

For further information on the “Southern Utah Adopt A Waterway” Program, view the link below.
